Pope Francis has called all young people into action, to be protagonists of history and to leave their mark in the world. He said that this requires courage and “a readiness to trade the sofa for a pair of walking shoes and to set out on new and uncharted paths.”

Launched at the Australian Catholic Youth Festival in Sydney in 2017, #shoestories is a resource for the 2018 Year of Youth and beyond, with stories of faith, mission and encounter.

At Catholic Mission we recognise that many young people, inspired by the Gospel are transforming lives and we want to highlight it, celebrate it and provide a platform for you to share with each other.

You can watch the #shoestories – inspiring stories of the Gospel in action – by visiting:

Set-up a #shoestories recording booth during Socktober Mission Day activities at your school – all you need is black cloth back-drop and start recording stories with your smart phone!

Please ask your teachers for permission and then send us an email to: info@socktober.org.au to get started!
